## PASTOR'S COMMENTS

Standards -- we all have them. One of the things that I believe about standards is that we should never be willing to compromise our standards for anyone or anything. As a Baptist Church we have specific doctrines that we believe to be true and correct. In fact, we take the very Bible that we have been given and take all of our doctrines specifically from that. In my opinion, these are our standards by which we look at the truth and how anyone else measures up. If we ever compromise our doctrines to be liked or well-known -- we have simply missed the mark. I'm thankful for the things we hold as concrete truths in the Baptist Church.

I am thankful to see you all this morning, may God richly bless you.

**Answer:** Abraham (Genesis 17:5)

**This Week's Question:** Who was told by an angel that his son was to be named John?

No activity in the  
"Happy" Department.

It is better to wear out than to rust out.

Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.

**MEETING

# A CALL TO FORGIVENESS

Teach us to forgive, dear Lord,  
Those who do us wrong.  
Help us set aside the hurt  
And somehow move along.  
Help us control our anger  
When people are unkind,  
And help us turn the other cheek  
When troubles cloud our mind.  
Forgive us, Lord, when we offend  
And need forgiveness too,  
And give us now a second chance  
To right the wrongs we do.
