## Welcome to Mt. Calvary

### Pastor's Comments

The B-I-B-L-E, yes that's the book for me. Did you know it has 66 books? Written by many authors, and completely inspired by God himself? There is no other book that has caused more stir than the one we hold dear to us. Many religions have a book, but there is not one that can match the Holy Bible. I love to read, and I enjoy many genres. Fiction, non-fiction, historical, mysteries, informational...you name it I'll read it. In fact, I have many books related to The Bible. I love my commentaries and I value the opinions of many amazing writers who have devoted lots of time to studying this sacred text. None compare to The Bible. None have the significance that it does, nor will there ever be another that matters as much. It has everything to guide a person through life. Most importantly it gives us instructions on what we must do to get to Heaven. Sometimes I get lost in the magnificent wonders that are within the leather bindings. Oh how sweet it is to sit down with my Bible and feel the Holy Spirit come by and guide my study. As much as I love it, I can't worship it. I worship the one who inspired it. It all points to him anyways.

2nd Timothy 3:16 "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness..."

### BIBLE TRIVIA:

This Week's Question: Who danced with all his might when the ark of the covenant was brought to Jerusalem?

**Sandwich every bit of criticism  
between two layers of praise.**

Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine.

*2 Timothy 4:2*

## MEMBER MOMENTS:

Sis Caitlyn summited the following:

I am currently in Ohio visiting with my parents and one of my brothers. I'm really enjoying my time with my family and have missed them terribly. Although the time spent here is precious, this weather is not for me. It has been snowing almost the entire time I've been up here. Plus,

I miss my church family tremendously and cannot wait to be back with you all. I will be back soon! I love each and every one of you!

Bro Don Gregory (grandfather of our Pastor) tells a story of his wife's uncle who visited a church and it seems a lady began to speak in tongues. The Pastor wanted to know if anyone in attendance could interpret what she had said and in response to his question, the uncle said "yes, I can." To which he stated, "she just said she was going to give this church \$10,000." With the statement being made, all the congregation could see was the tail end of the lady's coat as she hurriedly exited the building.

*Sis Caitlyn has a cousin who has shipped out for basic training and she would like members of the church to write him letters. A box has been placed on the foyer table for the letters. Caitlyn will mail them all together.*
