Welcome to Mt. Calvary

Pastor's Comments

Time is flying! It's already March of 2016. Hold on to your Easter eggs we will be putting up the Christmas tree again before long. I was driving my Grandparents to the doctor on Wednesday and began to think about how time has made a change in me and those around me. It seems like yesterday I was the one they were taking care of (oh, and believe me they still do). Now the roles are slightly changing as we get older. Time has made that change. Even if we just look at the trees, and flowers time makes a change there as well. When I was younger I thought people who said "time flew" were out of their minds. It seemed to barely move for me. I am finding out that they were right. Slowly we fade into older versions of ourselves that we thought would take forever to see. Time has made a change in all of us and someday I'll trade my watch for a home where time does not matter. Can you imagine? Time won't make a change anymore. In all of this time changing.....don't forget about the Lord.

Bro. Taylor

Don't forget to set your clocks forward this coming Saturday. Spring is on its way.

For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

GOD'S TENDER CARE

When trouble comes, as it does to us all,
God is so great and we are so small -
But there is nothing that we need know
If we have faith that wherever we go
God will be waiting to help us bear
Our pain and sorrow, our suffering and
care -
For no pain or suffering is every too
much
To yield itself to God's merciful touch.
