## Welcome to Mt. Calvary

### Pastor's Comments

Have you ever gotten out of your car in a parking lot, the weather be seemingly beautiful; birds chirping, sunshine, nice breeze and all of sudden the bottom just drop out and it just rain hard. Yeah, me too. Usually we would run to the destination hoping to survive without becoming saturated with water. Most likely falling. However, has it happened and it just not seem like it mattered. Dry or wet nothing could change how you felt. Yeah, me too. As children of God sometimes we carry the weight of the world on our shoulders. Sickness, major decisions, these problems, those problems and then you come to church and hear from a loud mouth pastor about how the lost should be first no matter what is happening in our lives. Been there, done that. Kicking, screaming, upset and mad. Sometimes despite our best efforts it just storms. Lightning, thunder, hail, and fierce winds. Life can be so tumultuous sometimes. Those times when everything goes right and its bright and sunny the bottom just drops out and it rains until the flood waters start to rise. It's hard. Those storms though are okay. Yeah.....let that sink in. It's okay to just praise the Lord in the middle of the storm. It's hard. It's not easy. We don't like it. Have no fight left in us. Just stop. Praise Him in the storm. Sooner or later "this too shall pass!" And you'll be left standing, praising Him in the sun again. God is faithful to His children. The psalmist said "The Lord is a strong tower and the righteous run into it." Even if the storm is a "humdinger" and you're ready to give up and quit, praise Him in the storm. He loves you today.

Welcome to Mt. Calvary Missionary Baptist Church.

### BIBLE TRIVIA:

Last Week's Question: What old woman said, "God hath made me to laugh so that all who hear will laugh with me"? *Sarah (Genesis 21:6)*

This Week's Question: Who told Job that God would certainly fill a righteous man with laughter?

We want to take this opportunity to welcome the latest individuals to present themselves for membership at Mt. Calvary. Sis Georgia Farmer and Sis Casondra Swindol. They both joined two Sundays ago, but due to my knee surgery (and my drug induced scatterbrainedness) this information was not included in the bulletin last week. Welcome to you both and all of us at Mt. Calvary are so happy God has sent you our way.

People cannot change the truth,  
but the truth can change people.

# A Quiet Place

I daily seek a quiet place that's far from pain and strife,  
Where I can piece together all the puzzles of my life.  
It's there away from worldly things and distant from the  
phone

That I can fellowship with God; just He and I alone.  
And there God pours his balm of love into the life I live,  
And there I find a peace and joy that only He can give.  
I will not fear the circumstance, I face from day to day,  
For daily in my quiet place, I'm learning how to pray.

**Morality may keep you out of jail, but  
it takes the blood of Jesus Christ to  
keep you out of hell.**

In whom we have redemption through his blood, the forgiveness of  
sins, according to the riches of his grace;

*Ephesians 1:7*

=====  
Please remain in prayer for all those members who are  
recuperating from surgeries or sicknesses. Also remember
