Welcome to Mt. Calvary

Pastor's Comments

It's okay to have a good time in the Lord's house. As we began to start our service on Wednesday night here at church, it was as if the house was full. The jubilant conversation, laughter, smiles, chatter, and even the piano playing made the mood just right for a great evening of studying the Bible. I believe in respecting God's house; in fact, this is His house we are in right now. Should we be making a mockery of our reason for being here such as the Corinthian Church? **NO**. I believe that God delights in the fact that His children can come together with happiness and be in one accord. We are here to serve the Lord, but we are also here to encourage and help one another. It's okay to smile, laugh and just genuinely enjoy being at church. The laughter translated into a beautiful singing service that we had that night. Again, we didn't have many, but it sounded as if the building was full. Let us come together in a sweet and joyful spirit this morning. **Remember**, God gave us something to be happy about!

SELECTING OUR REVIVAL HELPER**

BIBLE TRIVIA:

Last Week's Question: What old man laughed at God's promise that he would father a child in his old age? *Abraham (Genesis 17:17)*

This Week's Question: What group of people were busy dancing and partying when David caught up with them?

**Prayer is the vital breath of the soul;
without it the Christian soon turns blue.**

Our Pastor has been called to assist in the revival at Faith Church this summer. The date for this effort is still undetermined but let's all be in prayer for this revival.

**At times, it is better to keep your
mouth shut and let people wonder if
you're a fool than to open it and
remove all doubt.**

Even a fool, when he holdeth his peace, is counted wise: *and* he that shutteth his lips *is esteemed* a man of understanding.

Proverbs 17:28

WORK DAY MAY 14TH AT 9:00 AM

TAKE TIME

Take time for prayer in the morning, take time for prayer at night
Take time for God and through the day He'll see that things go right,
As if you should encounter a few mishaps along your way
He'll surely give you strength and help to get you through your day.
And then when evening time befalls and you come to the end of your day
He'll still be there to hear your prayer and listen to all you say.
You'll feel His hand of comfort as you talk with Him once more
And thank Him for His loving care and blessings by the score.
So take time for God in the morning, take time for God at night,
And talk with God and walk with God, He'll make your burden light.
