Welcome to Mt. Calvary

Pastor's Comments

Nature has such a special beauty that God allows us to enjoy. On Friday morning I went with my grandparents to a few cemeteries so that we could decorate a few gravestones for decoration day. As they were putting the flowers on the grave, I walked over and around the church we were at and I noticed a big beautiful rose bush and a little area of lilies. Beautiful, bright, vibrant colors that only can come from the paint brush of a living God. As I stood there for a moment, I just took in the beautiful sight before me. A bright blue sky with cottony soft clouds floating along over a field that had been freshly cut for hay. It was breathtaking. I took just a brief moment to stand in amazement at the majesty that is the canvas God has so beautifully painted for us. God took the time to give us the birds in the air, the clouds in the sky and even the rain showers that fall so serenely. It made me realize just how much more he loves me, because soon enough...the birds fall away, the skies darken, and the flowers fade, but God allows us to have eternal life through his son, Jesus Christ. Oh, how he loves us!

Thank you for joining us this beautiful Sunday morning. We hope you will worship the Lord today in the spirit and in truth.

Bro. Taylor Gregory

# Life's Tapestry

Glancing at the pattern of my life's rare tapestry  
It seemed the threads of darkness were all that I could see  
I failed to see the glitter of the gold beyond the gray  
The myriad lovely colors of life's joys along the way,  
Until I saw the pattern formed by God's forgiving touch  
That showed me oh so clearly God has given me so much.

**The teacher asked the pupils to tell the meaning of loving-kindness. A little boy jumped up and said, "Well, if I was hungry and someone gave me a piece of bread that would be kindness. But if they put a little jam on it, that would be loving-kindness."**

Bless the Lord, O my soul. . .who crowneth thee with lovingkindness  
and tender mercies; who satisfieth thy mouth with good things. . .
