Welcome to Mt. Calvary

Pastor's Comments

Bad days are bound to come. Unfortunately it is a part of living. However, never give up on those days. It's easy to throw in the towel, get upset, and decide that you are ready to quit. In fact I feel as though I get in that shape all too often myself. What little I've learned by living in this world is that I can't do anything without the Lord. Each day is a new adventure that can only be conquered with his help. As the old song says, "life is easy, when you're up on the mountain. Then things change and you're down in the valley. That's when faith is really put to the test." Those valleys look ominous and deep sometimes; almost like we will never get out of them because they are so steep. Just remember that the same God who is able to be with you on the mountain is the one who walks right beside you in the valley. If we didn't have a valley every once in a while, we would forget our need of God and his almighty mercy and grace that He continually bestows upon us. Let everyday be a good day regardless of what is going on, because God is so good. He can turn anything right around.

Welcome to Mt. Calvary this morning. May God so richly bless you.

Bro. Taylor Gregory

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.
