# Welcome to Mt. Calvary

## PASTOR'S COMMENTS

Jesus. There's just something about that name. There are a lot of names that you can hear that have different meanings. Elvis Pressley, Dolly Parton, George Washington, Russell Wilson, (Insert any name you can imagine) and they all elicit some type of memory, response. However, there is something different about the name of Jesus. You hear him spoken of every day it seems like, people either like or dislike him. Believe or don't believe. I think most would agree that there is just something about it though that is different. You would be correct! He is the only one that can make the devil flee, change sinner's hearts and be the Savior of the world. No doubt people love Elvis Pressley, but there is no doubt that he never has been, nor will he ever be, as great as my Lord and Savior Jesus Christ. I was thinking about these comments based off our wonderful lesson on Wednesday evening from Romans 16. Every name listed pointed to one name, Jesus Christ and his work. Are you pointing to the name of Jesus?

We would like to welcome you this Morning to Mt. Calvary Missionary Baptist Church, if you are a member or just visiting for your first time we want you to feel at home. May God bless you for your attendance!
