## Welcome to Mt. Calvary

### PASTOR'S COMMENTS

I visited with the Bethel Missionary Baptist Association on Friday, and like any association I've been to they had topics for discussion. One was titled, "Reaching The World" --- I thought to myself, how can I reach the world? What can I do to reach the world? How can I make an impact? I can never stress enough the realization that every saved person should have, there are many who have never tasted to see that the Lord is good. Matthew West sings a song title, "My Own Little World" and in that song he talks about how at ease we are in our own little world. It's so easy to be okay when the population in my own little world....is me. I'm okay. Not much to worry about. However, what about the rest of the world? Will we rescue the perishing?

Welcome to Mt. Calvary Missionary Baptist Church! We thank you so much for being here today whether this is your first time or hundredth time we want you to know you are always welcome here. If you're lost we invite you to seek the Lord today! If you're saved we invite you to worship freely in our service. May God bless you!

# Don't let your get-up-and-go get up and go.

And whatsoever ye do, do *it* heartily, as to the Lord, and not unto men; knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ.

Colossians 3:23

**Salvation is the greatest gift we will ever receive and only God can give it. Here is my testimony and the Lord allowed me to write it in poetry. It is very precious to me.**

## MY SALVATION

His love is like a light that shines for all the world to see,  
And one cold January night, His light did shine on me.  
Conviction was upon my heart poured down like sheets of rain;  
I knew to Him I had to turn to ease the guilt and pain.

But I ran from Him I know not why; young hearts can't understand  
And sometimes pride can hold you back like a restraining hand.  
But then the pain it got so bad, I thought my heart would break  
I knew down deep inside of me that first step I should take.

And then His hand reached down for me, I felt it standing there  
I sought His face and His alone down on my knees in prayer.  
I didn't care who saw me then, my pride was gone you see;  
All I could think about was CHRIST, that cross and Calvary.

I prayed to Him til I prayed through, He knew just what I felt;  
And when I put my trust in Him, He saved me where I knelt.  
He saved me, oh He saved my soul, was all my heart could say;  
Though only 12 years old that night, I feel the same today.

Praise God He still can do for you, what He has done for me;  
Through all the ages of the world, His love still sets men free.
