Welcome to Mt. Calvary

PASTOR'S COMMENTS

Salvation is more than just a testimony we tell, a heart that has been fixed, a sermon I preach, a feeling in my soul that I have, a living hope that never goes away. It's the only thing I truly have. Some might ask how do you KNOW it's even real? It's a valid question that can only be answered if you experience it. You would never know the thrill of going down a roller coaster until you experienced it, or seeing the ocean for the first time that absolutely takes your breath away. It's why as Missionary Baptists we believe that you have to have an experience with God. Not with me, this church, or ANY person, but with God himself. In fact, when you have finally poured your heart out to him, believed with your entire heart, given him your life and repented of your sins....he will save you and you'll know. Just like that first launch off a roller coaster and the realization of what's happening. You'll know even more so that your life has been changed. As the older folks told me when I was lost, "it's better felt than told!"

We are so thankful you are here today! If you're a member, thank you for making the effort, if you're a visitor we want to welcome you to this place. We hope you will come again soon!

It has been suggested that we all meet on a Saturday evening sometime during the month of November (towards the end), have dinner together and visit the Opryland Hotel to view the Christmas lights. If you would be interested in participating in this outing, please let Sis Gina Bewley know, so that plans can be finalized.

**BURDENS**

Do you have burdens and problems each day?  
Do you seek answers each time that you pray?  
Keep right on praying, it is never too late,  
God won't permit a burden too great.  
Always remember you are in God's care  
And burdens won't be more than you can bear.  
God know all about you, each burden, each plight.  
With God as your refuge things will turn out right.
