## Welcome to Mt. Calvary

### PASTOR'S COMMENTS

"I'll never forget, that night on my knees -- the joy of that hour has never left me"

There are lots of things that I will never forget. The first time that I went to the beach and looked out at the ocean. The first time I got on a roller coaster or preached a sermon. Both are about as much of an adrenaline rush as you can imagine! I'll never forget any of those things. More than that, I'll never forget the night I got saved. It was single handedly the greatest thing that ever happened to me, and I don't believe a person can ever forget it. When it happens you will KNOW it.

I'll never forget seeing people get saved either. I've been so privileged to be in service many times where people have gotten saved. That joyous look on their face, the calmness, the joy that they exude is something you can't forget.

We were able to witness that this last Sunday and our prayer is that we can witness it again today. What a joy it is to be back in the house of the Lord!

We want to welcome you to Mt. Calvary this morning where God is doing amazing things!
