## Welcome to Mt. Calvary

### PASTOR'S COMMENTS

Through the years I've seen a lot of things, heard a lot of things and been in a lot of places. This week I got a text message with a picture of a house I once lived in. Particularly the one I grew up in. It's located just outside a little town called Lewisburg, Kentucky. The picture absolutely broke my heart. The grass had grown up, the driveway had been overgrown. No longer was the lattice deck still in good shape, but actually beyond disrepair. The windows were boarded up as if it had never even been lived in. That's not the case. I spent lots of good years there. Sometimes I wish I could go back for just an hour to smell the fried potatoes cooking on the stove and for the happiness to be there like I remember. I wasn't very old when we moved; it was the summer of 2001. We moved to Franklin to a house in Valley Ridge, a beautiful new home with all the bells and whistles. Something clicked in my mind though. It's just a house I once lived in. Such as the person I was before I was saved at 11 years old. Just a poor, lost, hopeless.....sinner. That's a house I once lived in but no longer do anymore. In fact I'm far removed from that old hillside in Logan County. I'll hold those memories for an eternity, but I can't go back and even if I could, I wouldn't. I've moved a lot, but there is one move I've never regretted and that's making that move from the old man to the new man. Thank God I'm saved.

Welcome to Mt. Calvary this morning! Thank you so much for being with us.

**GOD'S EXTRAS**

God could have made the sun to rise without such splendor in the skies;  
He could have made the sun to set without a glory greater yet.  
He could have made the corn to grow without the sunny, golden glow;  
The fruit without those colors bright so pleasant to the taste and sight.  
He could have made the ocean roll without such music for the soul –  
The mighty anthem, loud and strong and birdds without their  
clear sweet song  
The God who fashioned flow'rs and trees delights to  
give us things that please.  
And all His handiwork so fair His glory and His love declare.  
Yes, He who made the earth and skies gave "extras" for our ears and eyes,  
And while my heart with rapture sings, I thank Him for the "extra things."
