## PASTOR'S COMMENTS

Happy Thanksgiving! Can you believe it? Thanksgiving week is here. It's truly one of my favorite holidays because of my family. I don't get to see them so much anymore and it is one day where we come to eat and enjoy each other's company. Some of you won't meet with your family on Thursday. That's quite alright. It's not all about that day that makes "Thanksgiving"....."Thanksgiving". Really, it should be a daily holiday for each of us because we do have so much to be thankful for. Sometimes I have those days when I think maybe I just don't have a lot to be happy about. It takes me about 3 seconds to realize I've got more than I could have ever imagined. It's not about the stuff though, my whole entire life is about him. I'm thankful for so many things, but above all, he is truly what I am most thankful for. "For saving my soul, making me whole.....Thank you, Lord"

Happy Thanksgiving, Church family. I love each of you more than you could ever know.

If you consider yourself a visitor here today, we want you to feel welcome with us. This is a family of people who come together and worship an almighty God. If you've truly been saved, you know him like we do. If you haven't been saved, it is our hope before you leave today, you will be. You'll really have something to be thankful for.

Bro Taylor Gregory
