## PASTOR'S COMMENTS

Some of you may remember a man by the name of George Younce. He was the renowned bass singer for The Cathedral Quartet. One the songs he sang lead on was "Thanks to Calvary". Oh how I love this song. You probably hear me say, "Salvation is a change" a lot and you may even be tired of me saying it. Sometimes I think we downplay salvation. Yes, we do. We assume that anyone who says "I'm fine, I'm good, I'm okay" as evidence of salvation. I was saved at a young age (11) and while I wasn't the most wretched sinner who had ever lived; in the eyes of God I was as lost as a lost person could be. Yet the night God saved my soul that changed. Yes, I'm still a sinner and yes I still make mistakes (this is NOT a green light to sin freely). I'm different though. Thanks to Calvary I'm not who I used to be. Thanks to Calvary I'm changed. Thanks to Calvary the old man that lived here doesn't anymore. Sometimes I think people hear us talk about having to leave an old life behind and it makes them feel like they have to walk some tight rope of sainthood. Here's the difference....are you ready? I don't have to, but it is my desire to leave that old man behind and walk hand in hand with the Lord. The things I could have been, places I could've gone, they don't appeal to me. Thanks to Calvary.

Welcome to Mt. Calvary Missionary Baptist Church! We thank you for your interest in being here today. It is my sincere desire as the Pastor that you feel at home with us.

**Lord, when we are wrong, make us willing to change. And when we are right, make us easy to live with.**

Likewise, ye younger, submit yourselves unto the elder. Yea, all of you be subject one to another, and be clothed with humility: for God resisteth the proud, and giveth grace to the humble.
