## PASTOR'S COMMENTS

The comments today will most likely seem very simple. As children we would sometimes sing "Oh How I Love Jesus" -- five very simple words, but what meaning they all hold. I could write books on why I love Christ. You probably could too. If you have been saved your soul just cries out the love it has for its Savior. The song gives the perfect response as to why I love him though and it's "because he first loved me"

Long before we were formed; he loved us. Oh what love the Savior must have for you and me. We have all had that one day where we felt nobody loves us. Yet he does!

"Greater Love hath no man....."

## The night is always darkest right before the dawn.

Thou hast turned for me my mourning into dancing: thou hast put off my sackcloth, and girded me with gladness;

*Psalm 30:11*

to the "Little Woman" that belongs to Tony Bewley. That would be Sis Gina Bewley. We hope you had a wonderful birthday and we all love you.

### *My Influence*

*My life shall touch a dozen lives  
Before this day is done;  
Leave countless marks for good or ill  
Ere sets the evening sun.  
So this the wish I always wish,  
The prayer I ever pray;  
"Lord, may my life help other lives  
It touches by the way."*
