PASTOR'S COMMENTS

As I was driving home from Kentucky this week, I heard a church sing "Amazing Grace" no doubt if you're reading this you have heard it before. It's a staple in most churches. I think everybody loves that last stanza, when we have finally been there ten thousand years....we will still be singing about his grace. Have you ever noticed the third stanza? "Through many dangers, toils and snares...." just think about it, we have all had dangerous times in our life. Dealing with sin, trying to live, in general just living on earth period is pretty dangerous. Still it's been grace that has protected us and someday when we finally are there forevermore that same grace that saved us will be what kept us with him all the way home. Praise God he has never lost one of his own. The scripture says that he left the ninety and nine to go search for the little lost sheep. He rejoiced when he found it. (Matthew 18:12-13) We might not be precious to anybody else, but we are to him. Thank you, Lord for your tender mercy and grace.

Thank you for being here today. If you consider yourself a visitor we hope that you won't long. We are thrilled you're here!

Business Meeting Today

Tithing: Give God what's right – not what's left.

This Thursday evening we will be eating together here at the church at 5:40. If you haven't joined the group to eat, why not join us this week. It's a great time of fellowship. Bring a sandwich and come on. This past week June Gregory treated everyone with lemon cookies after our meal. Thanks June for your generosity.

We want to thank Kathy and Joe Harrison for treating all of us to birthday cake and ice cream for Ryan's birthday. We love you guys a lot.

HappyBirthday to Sarah Bigham on the 13^{th} and to Coleman Taylor on the 16^{th} .
