PASTOR'S COMMENTS

As I was driving the other day on the interstate, the thought came to me about how all of us are going somewhere. Most of you have experienced the traffic that consumes Nashville from about 6:30-8:30 in the morning and from 4:00-6:00 in the evening. People are always going somewhere. Spiritually, we are no different. Some of us are moving along at a good pace, some are barely moving, others are the ones who have crashed into the barrier - stranded - causing a traffic jam for other people. I would like to encourage you in something though today...wherever you are in your walk with Christ, or in your journey with the Lord - don't get complacent. There is so much to see along this highway of life, and the best trip is with our guide named Jesus. Don't lag behind, you might miss something important!

God bless you, and thank you for being here today. I am sure that God will bless you for your efforts to be in his house.

Bro Taylor Gregory
