## PASTOR'S COMMENTS

A reviving spirit! That's what we need. I was so privileged to attend a service on Thursday evening where the *spirit of God* manifested itself in a way I have not seen in a long time. Have you ever been in those places where you could almost see the spirit? Some people don't believe that it can be witnessed. Bless your heart if you are one of them. When God begins to stir the hearts of his children and they fail not to follow him it can be unlike anything we have ever seen. As I sat there I watched sinners fall on their faces to seek God and his love. As we look toward to our revival here at Mt. Calvary, do we not want to see God move so powerfully that the sinners around this church have no choice but to call on him for salvation? **Please, please, please** pray NOW. Do not wait until the week it starts. It will make a difference. If you pray we will know it, if you don't pray we'll know that too. We won't have to tell each other. For your family, for my family, for your friends, for my friends, for your neighbors, for my neighbor's sake I pray we will get in a revival state of mind and heart.

I love you so much!

**Bro Taylor Gregory**

## Don't Take The Bait

Even a fish would stay out of trouble if it kept its mouth shut.

**Our cleaning day is not far away. It is scheduled for April 8<sup>th</sup> at 9:00 in the morning. Grab a broom and your vacuum cleaner and head on over to the church. We'll have donuts, etc. for breakfast and something good for lunch. Together as a church family, we can spiff up our building for the spring season.**

**Truth is stranger than fiction, but not quite as popular.**

*And ye shall know the truth, and the truth shall make you free.*

### PRAISE TO GOD

How great to be a child of God, how wonderful each day!  
How comforting the peace He brings to us along the way!  
Oh how I love and praise God's name for all He's done for  
me,

And how I pray His tender care will always ever be.  
Alone I could not bear my load of daily stress and woe,  
But in God's ever loving arms I'm safe where'er I go.  
May His sweet love enfold me, wherever I may roam  
And when my days on earth are o'er, gently lead me home.
