## PASTOR'S COMMENTS

If you were able to be here last Sunday, you heard some fantastic singing by the Oldham Brothers. The last song they sang was, "He's In The Midst" and what a job they did. I've thought a lot about those four words this week. There is no greater joy than to know that spirit is in our midst. If it's not, we are in trouble. In fact, He is in the midst a lot of times when we don't even realize it. Sometimes in the midst of our storms we think there is no way out or nobody to help us. But we can all rest assured that He is in the midst. I'm so thankful that God isn't a spectator. He is always right there with us no matter what we are going through!

I am so thankful to see you this morning; I pray God blesses this service today and you as well.

Bro Taylor Gregory

The carpenter of Galilee comes  
down the street again,  
In every land, in every age, He still  
is calling men.  
On any day we hear him knock  
He goes from door to door  
Are any workmen out of work?  
The carpenter needs more.
