Pastor's Comments

Happy Father's Day! Each of us no doubt can call someone in our life a father or dad. Whether they be biological or the one who raised us, many men have made an influence in our lives no doubt throughout our years. I am so blessed to still have my dad with me, he will never know what impact he has made on my life. If you have or had a good praying dad you were beyond blessed. I have had many good men to lead me in my life and for that I am so very grateful. My Father in Heaven has been so good to me as well. He has given more more than I deserve!

Happy Father's Day!

Bro Taylor Gregory

Vacation Bible School:

Our VBS was a success. Our attendance increased a little each night and everyone had a good time. In thanking our teachers for their efforts, I failed to thank Sis June Gregory and all the kitchen help and I surely want to thank them personally for all their work. A very special thanks to the Bice family for all their interest, time, labor and donations for this endeavor. God bless you all.

Sis Stella

No activity in the
"Happy" Department.

If you worry about what might be and
wonder about what might have been, you will
miss what is.

Take therefore no thought for the morrow: for the morrow shall take
thought for the things of itself. Sufficient unto the day *is* the evil
thereof.

Matthew 6:34

Faith church will be having a one day Vacation
Bible School next Saturday. It is for children only,
so if you have children that want to attend, please
feel free to take them. The church would love to
have a good crowd.

"Walk a little slower Daddy,"
said a child so small,
"I'm following in your footsteps,
and I don't want to fall."
