**HAPPY 4TH
OF JULY**

PASTOR'S COMMENTS

The Gaithers sing a song titled "Let Freedom Ring" and the lyrics include "God built freedom into every fiber of creation and He meant for us to all be free and whole. When my Lord bought freedom with the blood of His redemption His cross stamped pardon on my very soul." What wonderful, wonderful words. On July 4th, 1776, 241 years ago, this nation adopted the Declaration of Independence. We wanted to be free. As a nation we have weathered many, many storms, trials and tribulations, but perseverance has always been one of our strongest traits. The greatest freedom, however, we can ever have is the freedom from the burden of sin, for Christ paid the sin debt for each and every one that would come to Him in true repentance. Do you want to be truly free, then that freedom can only come through the precious blood of Jesus. If you are shackled with the chains of sin, why not seek Him today for the salvation of your soul.

Visiting Preacher:

Welcome to Bro. Jimmy Knight who will be preaching for us in both the morning and evening services. Our Pastor is on vacation and will be back next Sunday.

A POWERFUL ONE

If you think one person cannot make a difference in the world, consider what one cigar can do in a crowded restaurant.
