### PASTOR'S COMMENTS

Has anyone heard about an eclipse? If you haven't, maybe it's time to come out from under the rock you've been living under. That is all anyone can talk about! There is so much going on with regards to the sun and moon that people can't even function without talking about it. I understand, it's a once in a lifetime opportunity for some people. In that respect, IT IS AWESOME!!!!!! However, when is the last time people got this excited about something in our area, or since people flocked to an area to see what exactly was going to take place. If only this world had such respect for the SON! If you look to Him, you can live . Your eyes also won't burn out.

Whatever you do tomorrow, be safe and be careful. Pray for us that have to be out and about.

Bro Taylor Gregory

Sleep is sweet to the labouring man.

It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so he giveth his beloved sleep.

Psalm 127:2

We will be meeting on Wednesday evening for our usual dinner meal. Pick up your meal choice and join us around 5:40. The more the merrier.

Therefore doth my Father love me, because I lay down my life that I might take it again. No man taketh it from me, but I lay it down of myself. I have power to lay it down, and I have power to take it again. This commandment have I received of my Father.
