OPENING COMMENTS

If a person desires to be an athlete, there is more than verbal instruction involved. If an individual wants to become a soldier, it also takes more than verbal instruction. In any given career path, written or verbal instruction is not nearly enough. It takes actual hands on training and thereby we learn by practice. James 1:22 tells us "But be ye doers of the word, and not hearers only, . . ." Good instruction for all Christians, whether you have been on this road a long time or just a young convert. We must constantly be going forward, not standing still. Simply listening and hearing is not enough, we must be doers of the Word. Let's all remember to step out and step up to do the tasks that God calls upon us to do.

We are so glad you have chosen to be here this morning. Our prayer is that you will receive a blessing from being in God's house today.

Bro Micah Barber will be preaching for us this morning since Bro. Gregory has experienced some medical problems this past week. Please pray for him as he stands to bring the message. Also, Bro Micah will be preaching at Maple Grove #2 tonight, so remember this in your prayers too.

Remember that just the moment you say, "I give up," someone else seeing the same situation is saying, "my, what a great opportunity."

As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.

*Galatians 6:10*
