OPENING COMMENTS

As we come together this beautiful Lord's day, we should all be in one accord and our hearts centered totally on serving the Lord. Our nation has suffered this past week with Hurricane Harvey and the flooding of Houston TX. During this time of trial we have seen acts of kindness and love that we normally don't see. It hasn't been a question of black or white, bond or free. Perhaps we all need to take a good look at ourselves and strive to show much more caring, tenderness and love each and every day that we live. We all have so much to be thankful for. We thank you all for being in our service this morning.

Bro Micah Barber will be preaching at New Bethel this evening. Please pray for him.

In the absence of our Pastor, Bro Don Gregory will bring the message this morning. Please pray for him that he will have liberty to preach those things God has laid on his heart.
