

The church would like to thank Kathy Harrison for her willingness in spending her day off on Friday to help Stella with the plant selection for the church sign. It is certainly appreciated. That shows a love for her church. Thank you Kathy and Stella.

## *Climbing the Mountain*

The path is winding, skies are gray,  
The mountainside is steep;  
How much farther must I travel  
Before I rest and sleep?

But I shall scale the lofty height  
For I am not alone;  
My Lord has walked this path before –  
The way to Him is known.

He leads me up the narrow way  
As shepherds lead their sheep  
He guides me through the darkening gloom  
And over rocky steps.

When I pass through the last dark cloud  
And reach the mountain crest,  
The long, hard climb will then be gone –  
Then God and I will rest.

Helen Hazel
