OPENING COMMENTS:

“Here we often have family reunions - we visit for just a short while” - one of the songs that I remember hearing so often as a child growing up in church was “When I Step Off On That Beautiful Shore.” This week many of us spent time with our families as we gathered in for the Thanksgiving holiday. Many probably had someone missing that was suppose to be there. Sometimes those memories of gatherings past slide down our cheeks as we miss them.

As we stood around before our meal we talked about the things we are thankful for - I thanked the Lord for the testimonies of those I love who have gone home to be with the Lord. Don't you know that it will be a wonderful reunion someday after while - when we step off on that beautiful shore.

Welcome to Mt. Calvary! We are so glad that you are with us today. Please make yourself at home.

Bro Taylor Gregory
