LORD'S  
SUPPER  
TODAY

=====

OPENING COMMENTS:

You may notice things are set up a little different today. There is a table sitting in our altar where there is usually not one. On that table are some items that mean so very much. Today we, as a church, will be partaking in the Lord's supper. I guess if I could have a favorite day in church - these are the days. The scripture teach us that every time we come together for this to do it in remembrance of our Lord. Today as we take this bread and juice as reminders of what my Jesus went through at Calvary I hope we will all realize it's because he loved me so, that I could go and be with him for all of eternity. His blood, his body, his life are what give us victory! Are you saved today? Do you know my Jesus?

BIBLE TRIVIA:

Last Week's Question: Who was removed from her position as queen mother because she had made an idol? *Answer: Maacah (2 Chronicles 15:16)*

This Week's Question: What Baal-worshipping princess led Ahab into idolatry?

+++++

You cannot win if you do not begin.

Now therefore perform the doing of it; that as *there was* a readiness to will, so *there may be* a performance also out of that which ye have.

*2 Corinthians 8:11*
