OPENING COMMENTS:

“What a happy time some glad tomorrow when we lay these heavy burdens down” - Many of the songs we sing in our churches are written about Heaven - or talking about going home. I used to think it was kind of a bad thing to be quite honest because it seemed like we were overlooking our jobs here and only thinking about where we were going. The thing is, for those of us who have been saved it is a reward. It’s a place of perfect peace and rest! It is in fact the church singing about Heaven and the smiles on their faces that made me realize I needed to be saved more than anything in this world. It’s because of their excitement and joy of going to see Jesus that helped me see my need. So the next time you open your mouth to sing praises to the Lord, remember, it too, is a testimony.
