**OPENING COMMENTS:**

“Oh The Glory Did Roll! I Was Happy and Free” - this is a staple song in most of our churches. It is especially great when you have a church house full of people singing it. However, have you ever thought about the words? The very moment that the “glory rolled” I was happy and free. I have often likened the experience of salvation as a huge boulder being rolled away. Being free from sin and that awful hurt inside. I was happy, I was free! That sweet, sweet voice had spoken pardon to me. Have you found that today? If you haven’t, oh you can. Be free today!

Bro Taylor Gregory

## TIMELESS TREASURES

A winter's portrait, so bountiful,  
Nature's gift indeed...  
Though lurking are the lifeless flowers  
Returned to earth as seed.  
All sacred gifts sent unto us  
Are made by God's own hands –  
And always, they are precious ones  
To love just as He plans!

While lilies in the valley rest,  
And clad are crystal trees. . .  
A lifeless day revives the soul  
Through snowflakes on a breeze.  
These heavenly troves to come our way,  
So beautiful, big or small...  
Will touch our lives through each new day –  
God's gifts... they're best of all!
