### WELCOME COMMENTS:

Thirty seven years ago in 1981 on the first Sunday in March after many, many months of toiling and laboring together as a church family, the building we now worship in was completed. The first service in the new building was a wonderful time together and Bro Henry Smith preached a great sermon. For those of you who were here at that time, we have many, many memories of this wonderful place. For those of you who weren't here at that time, we pray that you will have many wonderful memories to come in the future. Let's pray for our church and that God will continue to be with us.

Sis Stella Jenkins

## THE POWER OF GOD

HE gives me faith within myself  
When it seems all in vain.

HE gives me hope to battle on  
And help my goals attain.

HE gives me faith and inner strength  
When I feel great despair,  
And since I place my trust in HIM  
My life's no longer bare.
