OPENING COMMENTS

There is a song that the Rambos used to sing that contained the lyrics, "the things that I love and hold dear to my heart are just borrowed, they're not really mine." How very true these words are. Everything in this world belongs to the Great God of Heaven and it is important that we appreciate the things that God has allowed us to have in our lives, especially those individuals who mean so much to us. Let's be more cognizant of the blessings of God and praise His name daily for all His goodness and generosity to all of us.

Morning Service

Eld Taylor Gregory will be preaching for us this morning and we are happy to have him preach again. Please pray for him as he brings the message.

Remember. . . a person's greatest emotional need is to feel appreciated.

One of the most valuable gifts you can give another is a good example.

For I have given you an example, that ye should do as I have done to you.

John 13:15
