**Welcome To Mt Calvary**

**OPENING COMMENTS**

Thankfulness is something we should all have, and I would like to take this opportunity to thank all of you, my brothers and sisters, for all the cards, thoughts and especially the prayers that have been offered up for me. This last trial has been something else, but God has seen me through it and I owe you all a debt of gratitude for praying for me. I would like to share that when this happened to me on July 3<sup>rd</sup>, my hand was swollen and hurting so bad. I came to church on Wednesday evening but couldn't even get out of the car because my hand was killing me. I asked Kathy to have all of you to please pray for me because I did not know how I was going to make it through the night. About 7:20 or so, the pain completely left my hand and I went to bed and slept until 4:00 in the morning with absolutely no pain. Thank you all for that, but thank God most of all because I KNOW your prayers to Him on my behalf is the reason the pain disappeared through the night. I love you all so very much. Please continue to pray for me.

**BUSINESS MEETING  
TODAY**

Temper is what gets most of us into  
trouble. Pride is what keeps us there.

Pride goeth before destruction, and an haughty spirit before a fall.  
Better is it to be of an humble spirit with the lowly, than to divide the  
spoil with the proud.

Proverbs 16:18-19
