When Evening Comes

Evening is a time to think and cast your cares aside;  
A time to pray and meditate, and in the Lord confide.

Evening is a time to read, write letters to a friend;

A time to sit with family, to visit, sew, or mend.

A time to ponder in your mind and think your own  
thoughts through;

A time to cuddle little ones, and them to cuddle you.

Evening is a time to dream and sleep in Holy care,

And trust that God is working nights to answer every  
prayer.

^^^

There will always be a place in our hearts to  
hold love in.

There is no fear in love, but perfect love casteth out fear:  
because fear hath torment. He that fearest is not made  
perfect in love.
