**WELCOME TO MT CALVARY**

On this day in 1969 Mickey Mantle announced his retirement from major league baseball. Mantle was born on October 20, 1931 and played his entire baseball career with the New York Yankees. No matter what day we are born, if we live long enough, there comes the day that we retire. However, in the Lord's work there is no age limit. Every person of every age has a work to do for the Lord and that is one of the reasons we are here today. Put the world aside and let's come together and serve the Lord in spirit and in truth. If there is something the Lord wants you to do this morning, then please do it. Let's all honor Him.

*We welcome back Eld Nathan  
Chandler to Mt Calvary this morning.  
Please pray for him as he comes to  
bring the message that God has laid  
upon his heart.*

WHAT'S IN A NAME:  
The name Aaron means "enlightened."

**Join us Wednesday  
evening for our 6:00 meal.**

**BIBLE TRIVIA:**

Last Week's Question: If an Israelite man took a female prisoner of war as his wife, what did she have to do to her hair?  
*Answer: Shave it off (Deuteronomy 21:10-12)*

This Week's Question: What group of consecrated men never cut their hair?

**Wednesday Night Bible  
Study is good for everyone. Please  
join us. Bro Mike Jeannette will be  
teaching this week.**

For every Goliath in front of you, there is a  
David inside of you.

For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.

1 Corinthians 1:18

# Good News

Little Adam Vaughn, the son of Eld Bill Vaughn was gloriously saved this past week. Let's pray for this young man as he begins his walk with the Lord.

## THIS "OLD HOUSE"

Been working on this old house now for many, many years,  
I've worked and toiled and labored through blood and sweat and tears.  
I've crawled, I've walked, and I have run down through the roads of life,  
I've met with joy and gladness, I've met with pain and strife.

And now this house is bending, the walls are getting weak  
The joints they creak and holler, the floorboards how they squeak.  
The roof upon this old house is slowly turning white,  
The windows that I look through now are dim and not clear sight.

So I got me to wondering what is this thing called life  
Why do we work and labor and suffer pain and strife.  
Why do we keep on going when strength is almost gone,  
And life is slipping by us and we have lost our song.

And then the answer came so clear directly from above  
It filled my heart with sunshine, and filled my soul with love.  
Because you are my dearest child the loving Lord did say,  
So labor on for me dear one until shall come the day;  
That I shall say you've worked enough, your time on earth is o'er  
You're coming home to be with me on my eternal shore.  
So then a smile came on my face and I could see so clear  
That I still have more work to do before I'm leaving here.
