*Pastor's Comments*

Scripture of the Week: **Genesis 42:1-2**

Now when Jacob saw that there was corn in Egypt, Jacob said unto his sons, Why do ye look one upon another? And he said, Behold, I have heard that there is corn in Egypt: get you down thither, and buy for us from thence; that we may live, and not die.

There was a famine in the land, and by God's divine decree, corn - and thus life - was only to be had in Egypt. The words of Jacob need to be remembered today, "get you down thither... that we may live and not die". There is spiritual famine all around us. Why do so many just stand and look upon one another? Just as God provided corn in Egypt to those who would come, so he has provided spiritual food in the Gospel of Jesus Christ for those who will come. If you find yourself spiritually famished, open your Bible and get on your knees - there is corn in Egypt that you may live!

**BIBLE TRIVIA:**

Last Week's Question: What barley farmer married a Moabite woman and became an ancestor of David? **ANSWER: Boaz (Ruth 1:22-2:3)**

This Week's Question: Who was the first farmer?

---

We will always face trouble in this life, but they can be approached easier by viewing them in God's revealing light.

These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.

John 16:33
