Pastor's Comments

Scripture of the Week: Isaiah 33:20-21

Look upon Zion, the city of our solemnities. .
.there the glorious LORD will be unto us a place of broad rivers and streams

Broad rivers and streams produce fertility, and abundance in the land. Places near broad rivers are remarkable for the variety of their plants and their plentiful harvests. God is all this to his Church. Having God she has abundance. What can she ask for that he will not give her? What want can she mention which he will not supply? Broad rivers and streams . . . were of old a defence. The devil cannot cross this broad river of God. How he wishes he could turn the current, but fear not, for God abideth immutably the same. — Charles Spurgeon

REMEMBER IN PRAYER

Chuck Bice lost his father in death this past week. Please remember him and his family in your prayers. The Bice's are so faithful to Mt Calvary and we love them very much.

God's peace encompasses all circumstances, good or bad. Though you should lose everything, if you have His peace you are rich indeed.

Thou wilt keep *him* in perfect peace, *whose* mind *is* stayed *on thee*: because he trusteth in thee.

Isaiah 26:3

Sis Stella talked with Sis Jean Williams this past week and she is having problems with her allergies. She is still very lonely since the passing of Charlie, her husband. Please remember her in your prayers. She said to tell everyone that she loves them and misses them.

If you have news for the bulletin, please let Sis Stella know.

We share a common bond of love That comes from God our Father; And we're dependent on the strength We draw from one another. - Sper'
