*Pastor's Comments*

**Scripture of the Week:** Hebrews 9:22

And almost all things are by the law purged with blood; and without shedding of blood is no remission.

Throughout the Old Testament, a sin offering was always a blood sacrifice. Starting with the coats of skin that God himself made for Adam and Eve all the way until the veil was rent in twain on the day of Jesus' crucifixion, blood was required for the passing-over of sin. How then could our sins be forgiven by anything other than the blood atonement of Jesus Christ? They cannot. There is no salvation outside of Jesus and there is no Gospel without the preaching of the Cross. If the blood has not been applied to your heart, your sins condemn you to Hell! Let all men everywhere repent and believe.

*Welcome Everyone to our  
service this morning*

## **I Am Strong (in the Lord)**

My heart ached from weariness, and tears began to flow –  
I had walked many rugged miles and still no rest to know.

I found new strength and courage by surrendering my  
prayer. . .

I was reassured I could not go beyond God's love and care.
