Opening Comments:

Every morning when we get up we have things to do. We have planes to fly, ships to sail, trains to engineer, people to doctor, offices to open, meals to be cooked, clothes to be washed, classes to attend and students to teach. The list is endless, but the most thing we should do is share the gospel of our Lord and Savior to those individuals who cross our paths. No one knows what a word alone can accomplish. There may be someone that crosses your path today that needs to hear about Jesus. Don't pass up the opportunity to share Him and His love with others. This is the most important thing we have to do today.

We welcome Bro David Stafford to our services this morning. Bro Stafford will be preaching in the absence of our Pastor who had surgery this past week.

BIBLE TRIVIA:

Last Week's Question: What Jewish girl married a Persian emperor and helped save her exiled people from extermination? **Answer: Esther**

This Week's Question: What two sisters of Bethany had a brother named Lazarus and were close friends of Jesus?

Quieting your mind in God's presence allows you to be able to hear Him bestowing the resurrection blessing: "Peace be with you."

Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.

Matthew 28:20
