## Pastors Comments

**THIS WEEK'S SCRIPTURE:** John 7:37

In the last day, that great day of the feast, Jesus stood and cried, saying, **If any man thirst, let him come unto me, and drink.**

Jesus invites all those who are thirsty for love and righteousness to come. He stands even now with his arms wide in invitation. No matter what your need is, Jesus has it! He is the all sufficient savior and yoke-fellow. Let us all drink deeply every day from the well that springs up from Emmanuel's veins.

## BIBLE TRIVIA:

Last Week's Question: According to Malachi, what were the people of Judah stealing from God? **Answer: The tithes they owed (Malachi 3:8)**

This Week's Question: Who was stoned for stealing booty during the battle of AI?

\*\*\*\*\*

Listen to God even while listening to other people. As they open their souls to your scrutiny you are on holy ground and need the help of the Holy Spirit to respond appropriately.

*He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.*

*John 7:38*

## ACTIVITIES COMMITTEE MEETING

Due to sickness in the church, the Activities Committee meeting for today has been cancelled or postponed. If anyone is still interested in meeting next Sunday, please let me know by the end of the service. If there is no interest, it will be cancelled.

# FYI:

Faith Manion, who often visits Mt Calvary with her seeing eye dog, Elf, has accepted a 7<sup>th</sup> grade English teaching position in her hometown in Kentucky. Faith will be relocating to her hometown in the next few weeks. She stated that "once again God has answered prayers!" We will certainly miss Faith visiting our church, but we pray for the very best for her.

+++++

Please remember Bobby Jenkins Jr in your prayers. He is having problems with his right eye and the doctor has diagnosed him with 6<sup>th</sup> cranial nerve palsy. The doctor advised that it usually corrects itself within 3 to 4 months and if it doesn't, then he will require surgery. In the meantime, he must rest the eye as much as possible. He is having to stay in the bed most of the time and when he eats, he gets sick to his stomach. Please pray for God's healing on Bobby.

## *God Is Near*

No matter how steep your mountain, the Lord will climb it  
with you

He will light your path in darkness, His hand will guide you  
through

Tere is really nothing in this vast world to fear,  
God heals all of your questions, He send the answers to  
clear.

"Have faith, My child," He teaches us in the stars that shine at  
night

Believe in Christ, your Savior, your world will be all right.
