THIS WEEK'S SCRIPTURE: Hebrews 4:9-11

There remaineth therefore a rest to the people of God. For he that is entered into his rest, he also hath ceased from his own works, as God did from his. Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief.

The sabbath was given to man for practical reasons - he needs rest. It was also given to man that he might remember the rest of God after His mighty world of creation. But the most important reason the sabbath was given to man was as a symbol of the final rest that man will enter into upon the end of all his labors. The True Sabbath is found in Paradise with God when the righteous shall rest for all eternity. But while we are yet in this life we must labor. We do not labor for God to become righteous, but rather our labor for God proves that we have been made righteous by the blood of Christ. Let us therefore labor diligently until Gods brings us into rest.

Consistency! How much we need
To walk a measured pace,
To live the life of which we speak
Until we see Christ's face.
