Welcome to Mt. Calvary

Pastor's Comments:

Scripture for the Week: **II Cor 12:9**

And he said unto me, **My grace is sufficient for thee: for my strength is made perfect in weakness.** Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.

When we feel strong and capable we rarely lean on the Lord. But when we are weak and feeble and impotent we call out for Him. God cannot and will not use us for His glory if we feel strong and capable. Therefore, let us be content in our infirmities knowing that God's grace will be sufficient and His strength will be perfected in us. His glory shall be manifested in our weak flesh. Amen.

Only fear the LORD, and serve him in truth with all your heart: for consider how great things he hath done for you.

1 Samuel 12:24

BIBLE TRIVIA:

Last Bulletin's Question: Who slept during a storm on the Sea of Galilee? **Answer:** Jesus (Luke 8:23-24)

This Week's Question: Who fell asleep during Paul's sermon and was later raised from the dead by Paul?

^^

Jesus is a friend who walks in when the world has walked out.

These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.

John 16:33

Please continue to pray for Wanda Haddock Brown's sister-in-law. She is still in ICU at St Thomas Midtown and needs a lot of prayer.

Please remember to pray for Karen Simmons' sister as she is having some serious medical issues.

Please continue to pray for Carly Chandler's father and her entire family as they are dealing with her father's health situation.

=====

Please start praying for our revival.

Please remember Jean Williams in your prayers. Sis Jean is a long-time member of this church and is unable to attend church anymore.

Kathy Roberts will not be here today as she had a previous engagement, but she will be returning next Sunday.

**When trials come upon you
And the world looks dark and bleak
Just turn your heart to Jesus
He is strong when we are weak.**
