Opening Comments:

Many times in our walk with the Lord we experience periods when our faith might be weak and we become discouraged. Brothers and sisters, this ought not to be. In 1962 Bing Crosby recorded a song titled "Accentuate the Positive." The lyrics contain these words:

You got to accentuate the positive
Eliminate the negative
And latch on to the affirmative
Don't mess with Mr. In-between
You got to spread joy up to the maximum
Bring gloom down to the minimum
And have faith, or pandemonium
Liable to walk upon the scene

I would encourage everyone to listen to this song on You Tube, especially the part about Jonah in the whale's belly. Perhaps it will help to encourage you in your walk with the Lord.

Prayer Requests

Please continue to pray for:

Bro Chandler's mother
The son-in-law of Wanda Haddock Brown, who is recuperating from surgery

Sis Stella enjoyed a wonderful lunch on Thursday with Sis Donna Oldham and Bro Jeff Schuller and Sis Sherry Schuller. The food was great, but the fellowship was even greater. She would like to thank these individuals for their love and support.

BUSINESS MEETING TODAY

HAS THIS EVER HAPPENED TO YOU?

Sis Donna had a funny story to tell this past week. She went to work one day and she kept noticing that she felt uneven in her walking. She attributed it to perhaps the tap was coming off the heel of her shoe. Later in the

day, one of her co-workers asked her, “Donna, why do you have on two different pairs of shoes?” Looking down at her feet, she was horrified to see that she had on one black shoe and one navy shoe. You go Donna, You’re a rock star.

CHRISTMAS

There is no time like Christmas
A time of peace and joy
Brought down to earth and all mankind
In a tiny baby boy.
But oh that babe was more you see
He was the Son of God
To help us as we travel here
Upon this lonely sod.
So especially at this time of year
Let's lift our hearts in praise
And thank Him for our blessings
That he gives throughout our days.
